

Message from FiCloud-Workshops Coordinators

On behalf of the organizing committees, it is our great pleasure and honor to welcome you to the FiCloud-Workshops 2019. This year six workshops and symposia are organized in conjunction with the 7th International Conference on Future Internet of Things and Cloud (FiCloud-2019), the 16th International Conference on Mobile Web and Intelligent Information Systems (MobiWis 2019) and the 5th International Conference on Big Data Innovations and Applications (Innovate-Data 2019) which are held in Istanbul, Turkey, during 26-28 August 2019.

- ♣ The 6th International Symposium on Intercloud and IoT (ICI 2019)
- ♣ The 6th International Workshop on Mobile Applications (MobiApps 2019)
- ♣ The 1st International Symposium on Artificial Intelligence, IoT, Robotics and Smart Systems (AIRS2-19)
- ♣ The 13th International Symposium on Performance Modeling and Evaluation of Computer and Telecommunication Networks in Cloud & IoT (PMECT 2019)
- ♣ The 3rd International Workshop on Cyber Security (CSW 2019)
- ♣ The 3rd International Workshop on Data Science for Intelligent Decision Support (DS4IDS 2019)

This year workshops and symposia follow their tradition of focusing on specific topics. These events provide an inclusive environment for participants to present and discuss their research work with colleagues from different countries across the world.

A large number of papers were submitted to the above workshops and symposia. All the submitted papers were reviewed by members of the program committees of the workshops and symposia. Based on the reviews each workshop and symposium has accepted only good quality papers. The technical program of the workshops and symposia cover state-of-the-art and timely topics which include: advances in cloud and IoT, Inter-cloud, security and privacy in cloud and IoT, mobile applications, web-based systems and social media, network models, mobile applications security, quality of service, deep learning, blockchain, human computer interaction, data mining, data science, artificial intelligence, robotics and smart environment.

We would like to thank all the authors for their contributions to the success of this year edition of the FiCloud Workshops. We also thank members of the organizing and program committees of the workshops and symposia. We express our sincere thanks to workshops and symposia chairs: Pinar Kirci, (ICI 2019), Wael M El-Medany, Samia Lucif and Mohammed Ghazal (MobiApps 2019), Peter Bull, Lin Guan and Xingang Wang (PMECT 2019), Hamad Al-Mohannadi and Jassim Al Hamar (CSW 2019), Manuel Filipe Santos (DS4IDS 2019), Inna Skarga-Bandurova, Tetiana Biloborodova, and Oleksandr Ryazantsev (AIRS2 2019).
